Australia rules out withdrawal

UNITED STATES — Australia's government has ruled out withdrawing its troops from Afghanistan, despite growing pressure from the public and lawmakers to do so. The Australian government has said it will continue to support the coalition forces in the war against terrorism, and that it will not be withdrawing its troops until the situation in Afghanistan is stable enough to allow for a safe withdrawal.

Rizal casino faces closure for unpaid taxes, permit lack

MANILA, Philippines — A casino in Rizal is facing closure due to unpaid taxes and lack of proper permits.

The casino, located in a remote area of Rizal, has been operating for several years but has failed to pay its taxes to the local government.

The local government has issued a notice of closure, stating that the casino is operating illegally without the necessary permits.

The casino's owners have claimed that they have been paying taxes and have all the necessary permits.

The local government has refused to accept the casino's claims and has ordered the closure of the facility.

The closure of the casino is expected to have a significant impact on the local economy, as it is a major source of revenue for the area.

Legal battle keeps Anna Nicole Smith in morgue

Anna Nicole Smith's estate has won a court battle to keep her body in a morgue in Texas for as long as it takes to settle her estate. The court ruled in favor of the estate, which is led by her husband, J. Howard Hughes, and her children. The ruling allows the estate to keep the body in the morgue until all legal matters are resolved, which could take several years.

The court decision is a significant victory for the estate, as it allows them to keep the body in the morgue until all legal matters are resolved. The estate is currently in a legal battle with the state of Texas, which wants to move the body to a funeral home. The court's ruling is a clear statement that the estate has the right to keep the body in the morgue until all legal matters are resolved.

Fiba lifts ban on RP basketball team at last

MANILA, Philippines (AP) — The International Basketball Federation (Fiba) has lifted its ban on the Philippine national basketball team, allowing it to compete in the 2002 World Championship in Korea and Japan. The team had been suspended since 1998 for failing to appear at the 1998 Asian Games in Bangkok. Fiba president Jean-Marie Gobeil said the decision was made after a review of the team's situation and the fact that it had been re-elected to the Asian Basketball Federation (FIBA Asia) in 2000. The team's return to international competition is a significant milestone for Philippine basketball.
